On behalf of the EACEA, the Research Executive Agency Validation Services (REA Validation Services) may contact you via the messaging system embedded in the Participant Register, requesting you to submit certain documentation within a specified deadline.

- This is in order to prove – in the event that your PIC number (Participant Identification Code) has not yet been validated – the legal existence and status of your organisation. In case of a multi-applicant proposal, each applicant will be contacted individually.
- The REA Validation Services may also contact your organisation requesting documentation to assess the financial capacity of your organisation.

Please ensure that your bank account is registered in the new bank account section of the Participant Register

<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home>

This new functionality will allow you to see the bank accounts registered through the new bank account section for your organisation and the status of the validation.

During the registration process, you will have to enter your data in a wizard and upload relevant supporting documents. The preferred option is to upload a bank statement or equivalent document. As a last resort, you can also download a pre-filled Financial Identification Form to be stamped by the bank.

You will be guided through the registration process. If you need further support, please have a look at the IT manual

<https://webgate.ec.europa.eu/funding/display/ECResearchGMS/Data+Groups+-+Bank+Accounts>

or contact the IT helpdesk in case of technical issues.

In addition to the documents requested from the REA Validation Services, some (additional) documents as listed in Annex 1 are requested and must be sent directly to the EACEA. The documentation specified must be submitted within a period of 5 working days from the date of receipt of this letter.

The process of awarding a grant can only be finalised once all requested documents have been received and processed by the REA Validation Services and the EACEA.

This letter does not represent a financial or legal commitment of the Executive Agency. The offer of an award is confirmed only when the legal representative of the Executive Agency signs the Grant Agreement / Grant Decision associated with this application.

We remind you that in accordance with Article 193(2) of the Financial Regulation, a grant may be awarded for an action which has already begun provided that the applicant can demonstrate the need for starting the action prior to signature of the grant agreement. In absence of such justification sent to the Agency and accepted by it, any costs incurred before the signature of the grant will not be financed by the grant.
